

**Wholesale Broadband Connect
Exchanges enabled by February 2010**

Exchanges serving 50% of UK homes and businesses have now been enabled for next generation broadband - they are listed below. We are currently deploying kit to serve 55% by Spring 2010 and additionally BT Wholesale has announced its intention to reach 75% by Spring 2011. The exchanges BT plans to enable in this next phase are currently under discussion with industry.
