Do you have a disability? Are you housebound or at risk without your phone?

At BT, we want to make sure you stay safe and connected – even if you miss paying your bill because you’re in hospital, for example.

Your vital link

Would you be at risk if your phone was cut off because you didn’t pay your bill?

Under our Protected Service Scheme, you can choose someone to be our second point of contact for anything to do with your bill. So, if you’re not around to pay it when it comes, we’ll know who to get in touch with instead. And we’ll protect your phone, so it’ll still be there for you when you get back.

Or, if you’d rather not have a second point of contact, just give us a call. We’ll tell you about the other ways we can help you.

Read on to find out more about how we can keep you connected with the outside world.

And it won’t cost you a penny.
Choose a second contact

You can choose someone you trust to be our second contact. They won’t be responsible for anything you owe – they’re just someone we can get in touch with if we need to.

Once you’ve chosen someone – perhaps a friend, family member, neighbour, social worker or carer – to deal with us on your behalf, we’ll need their details. Just ask them to fill in the form you’ll find with this leaflet.

If they won’t be available for a long while, they’ll need to let us know, so we can sort out something else.

Call us
If you know you’re going to be away when your phone bill is due, call us on freephone 0800 800 150.

We’ll help you sort things out in a way that suits you best. So we might be able to let you pay in advance, or we can send the bill to your new address.

Change how you pay
Paying your bills by Direct Debit or Monthly Payment Plan means you won’t need to worry about being away or missing a bill.

Visit bt.com/directdebit to find out more. To set up or change the way you pay, give us a call on 0800 800 150.

You can also manage your bills through our website. Visit bt.com/mybt and follow the steps to set up your BT ID. Once you’ve registered, you’ll be able to see your bill, organise payments and check how much you’ve spent since your last bill.
Keep us up to date
If your chosen contact changes, or their details do, let us know, so we can reach the right person. Please also tell us if you don’t need to use the Protected Service Scheme any more.

There are three ways to let us know:

• Fill in a new form (download one at bt.com/pss)
• Email us at ncc.g@bt.com
• Call us on 0800 919 591 (8am-5pm, Mondays to Fridays).

What happens if you don’t pay
If you haven’t paid your BT bill, or you don’t reply to our letters, emails or calls, we’ll get in touch with your second contact and try to sort out why we haven’t been able to reach you.

We’ll work with them to do all we can to help you keep your phone service.

If your bill isn’t paid within a reasonable time, we might have to block some services on your phone. You’ll then have to pay the money you owe us, and any reconnection charges.
How to apply

Joining our Protected Services Scheme is simple, – you’ll find the form you need with this leaflet. All you have to do is:

1. Fill in your details in Part 1. Because it’s helpful to know a little about your situation, there’s space for you to tell us here too.
2. Ask your chosen contact to fill in Part 2.
3. Pop the completed form in the envelope provided and send it to us. Don’t forget to use a stamp, or Royal Mail won’t deliver it.

Need more help?

If you’ve got any questions about the Protected Services Scheme, if you aren’t sure if you can apply, or if you need help filling in the form, please get in touch. You can email ncc.g@bt.com or call us on 0800 919 591 (8am-5pm, Mondays to Fridays).
